1. Affected product

Product	Outline	Control code ^{Note}
IE-703114-MC-EM1	Option board for V850E/IA2	A

It is not necessary to upgrade a control code B product.

2. Details of upgrade

The restriction described below will be corrected. After upgrading, the control code will be B.

(1) Restriction on A/D converter

Control code: A

3. Upgrade petition period

From October 1, 2002.

The upgrade described herein will be provided for free for a period of one year from the above date. After the free upgrade period expires, an upgrade will be available for a fee. We therefore recommend that you take advantage of the free upgrade offer during the free upgrade period.

Note The "control code" is the second digit from the left in the 10-digit serial in the warranty supplied with the product you purchased. If the product has been upgraded, a label indicating the new version is attached to the product and the x in V-UP LEVEL x on this label indicates the control code.
